Hello Bobby!

I wanted to write a quick note to say thank you for coming up to Estes Park and speaking at our Vistage group. I loved the content and the anecdotal stories and loved how you presented the fundamental components for a successful business. It is something that I have yearned for the past 15 years.

Also, on a personal level, it was great having you as part of our group. I only wish that you lived closer so that you could join us on a monthly basis. ☺

I look forward to catching up with you again at a later date, and thank you again for time, content and most of all, opening up to us all in the group.

With warm regards,
